

## ICF-C707

- Programmable sleeping and waking
- Choose one of the five direct-access Nature Sound buttons – Ocean, Birds, Rainfall, Babbling Brook, or Under-the-Sea – to peacefully drift to sleep in the evening and ease out of sleep in the morning.
- Different alarms for flexible schedules
- User-friendly controls and menus let you easily adjust the 2-5-7 Day Alarm to fit your unique lifestyle.
- Daylight Savings Time change made easy
- The built-in calendar recognizes the dates and automatically makes the proper time adjustments.
- Automatic Time Set
  - The correct EST (Eastern Standard Time) is preset at the factory, so you only need to adjust for your time zone. In the case of a power interruption, the built-in Lithium battery maintains the correct time.
- Enjoy the variety of AM / FM radio programming
- A built-in digital tuner lets you choose from a wide variety of radio, talk and music programming.
- Easy to read, day or night
- The easy-to-read blue backlit display feature high, medium, and low brightness settings ensure you can easily read the display during the day or night, without being distracted when trying to sleep.
